**BREAKFAST WITH BENEFITS:
BOYS & GIRLS CLUB OF NORMAN**

Oklahoma City - Join the Neighborhood JA.M. family on Main Street on Friday, October 12th for “Breakfast with Benefits.” For this event, a local school or organization receives 20% of all sales made between 5 p.m. and 9 p.m. on the second Friday of each month. The next event will take place on October 12th and will benefit Boys & Girls Club of Norman.

Boys & Girls Club of Norman provides a safe and caring environment to Norman Public School students ages 6-18. After school programming is designed to provide resource connections for families and opportunities for improved social skills, self-esteem and child development of the youth. Since the Club is offered under the umbrella of our parent agency, CCFI, members and their families have full access to all of the supportive services CCFI offers.

“This is our location’s first-ever Breakfast with Benefits night. The Norman community has been supportive of us and our goals... We can’t wait to reciprocate that love and support for this program. The Boys & Girls Club of Norman has made a huge impact on countless participants and volunteers. We look forward to benefitting the community on the second Friday of each month,” said Caleb Hill, General Manager.

Follow Neighborhood JA.M. on social media and join the email list for up-to-date information on “Breakfast with Benefits,” and other special news.
