Donors Needed to Adopt Holiday Wish Lists

With the holidays fast approaching, our agency is gearing up for our annual Holiday Wishes program. Each year, CCFI clients, Boys & Girls Club members and their siblings are asked to submit a holiday wish list. These lists include everything from toys to games to basic essential needs such as clothing and winter coats. Last year, the Holiday Wishes program was able to provide gifts for more than 400 children!

If you or your business or organization would like to participate in this year's program and "adopt" a wish list, please contact Emily Banfield at ebanfield@ccfinorman.org or 405-364-1420.

CCFI Staff Participate in Exclusive State-Wide Training

This fall, our Clinical Director, Assistant Clinical Director and Parents Assistance Lead Clinician were invited to attend an exclusive state-wide child-parent psychotherapy training hosted by Sunbeam Family Services. This intensive three-day training kicked off the start of an 18-month collaborative focused on learning and implementing trauma-specific therapy for children ages 0-5. Since Cleveland County has the third highest number of confirmed cases of abuse and neglect in the state of Oklahoma, with 60% of those cases being children under the age of 6, it is imperative that our agency continues to build competence by using research-based approaches to working with small children who have suffered relational trauma.

We are honored to be accepted into this training group and look forward to sharing our newfound knowledge. Please help us congratulate these women on this outstanding accomplishment!
